COPYRIGHT, TRADEMARK, TRADE SECRETS Basics

You create interesting work and may have a patentable invention, but that's not the end of your intellectual property analysis.

Come learn how copyright, trademark, trade secrets and contract law can also stop others from copying your work and identify strategies to avoid infringing existing work.

Attorney Steven Baron, a partner in the firm Baron Harris Healey and a volunteer for Lawyers for the Creative Arts, will review what you need to know and answer questions.

Inventors, lawyers and students welcome!

Date: Tuesday, November 19th

Time: 5:30 p.m.
